Register of slavery & human trafficking corporate statements released to date to comply with UK [Modern Slavery Act](#)

Summary of findings:

- We have identified¹ 83 slavery and human trafficking statements. 75 appear to be statements made to comply with s54 of the Modern Slavery Act (the Act) (5 are initial or holding statements & 3 are made by organizations that are not required to comply with the Act).
- 22 statements meet both legal requirements (signed by director or equivalent² & have link from homepage – see section 54(6) & (7)).
- 9 statements meet both legal requirements above and report on all 6 criteria which s54(4) of the Act says an organization **may** report on in its statement
- For each of these criteria the number of companies meeting them are the following:
 - 42 signed by company director or equivalent depending on type of organization (this requirement set out in s54(6) ensures senior level accountability, leadership and responsibility for modern slavery)
 - 42 have a link from the homepage of the company website (this requirement set out in s54(7) ensures greater public transparency by the company)
 - 19 reported on all 6 criteria suggested in s54(4):
 - a) the organisation's structure, its business and its supply chains;
 - b) its policies in relation to slavery and human trafficking;
 - c) its due diligence processes in relation to slavery and human trafficking in its business and supply chains;
 - d) the parts of its business and supply chains where there is a risk of slavery and human trafficking taking place, and the steps it has taken to assess and manage that risk;
 - e) its effectiveness in ensuring that slavery and human trafficking is not taking place in its business or supply chains, measured against such performance indicators as it considers appropriate;
 - f) the training about slavery and human trafficking available to its staff.

¹ Statements were found using the first 50 pages of search results from a Google search of the phrase 'slavery statement' on 22 January 2016 & 29th February 2016.

² Section 54(6) requires statements to be approved by senior persons and signed by a director (or equivalent). The persons required to do this depends on the type of organisation. The vast majority of statements did not state explicitly whether they had been approved by a board or equivalent, nor does the legislation require this.
